Welcome back!

I am excited to write my first newsletter as your new Headmistress and am really looking forward to working with you all. Loyola is a wonderful school and together we will continue on our journey for excellence and making it a place where we love to be.

After a long break full of sunshine and adventure, it is lovely to see the old and new boys here at school. Already they are full of enthusiasm and energy; eager to start the next phase of their learning journey. So may we start our year with a positive spirit and an openness to new experiences, a curiosity to learn, a kind heart, a strong will to succeed and a desire to be the very best that we can. I look forward to supporting you on your journey. Mrs K Anthony

New starters of 2018

As a school, each term, we will focus on different values and qualities which will help us become aware of how we can make the world we live in a better place.

Our focus for September is :

“to understand our responsibilities and our rights”

Pupils who have demonstrated that they are upholding their responsibilities of being a Loyola boy are :

Simeon (Figs) : speaking Russian to a new boy in Kindergarten who needed support to settle in and cannot speak English yet.

Aryan (PP1) always making sure that a fellow classmate knew what to do (now that they are in PP1).

Did you know?

School Fact :

If it's your birthday you can donate a book to the library! It will be presented to the school at mass. The book will then have a sticker inside it saying who donated the book. It then goes to the library and waits to be picked. Donate a book!

Fun Fact :

There are over 100,000 letterboxes in the U.K. Roald Dahl has written over 35 books! (For children and adults)
