### **A letter from the Prime Minister!**

*We are all too aware of some of the problems that are happening in our own locality and Aditya decided that he wanted to help. He wrote to the Prime Minister and put his ideas forward. He was thanked for his efforts and for wanting to keep our society safe. What a credit you are to Loyola – well done!*

This week started with a visit from the NSPCC reminding us that we all have a right to be safe and our voices to be heard. As a school we recognise just how important this is and have decided to try and help by holding a sporty non-uniform day with some extra PE activities added to the timetable (donation of £5 maximum) on Friday 5<sup>th</sup> October. We held a very successful Open Morning with many families coming to find out why Loyola is so great - the new school prospectus was printed just in time! Please see the wonderful images of school life in the copy sent home today and a special thank you to those who have appeared in it. On the special occasion of the Exaltation of the Cross mass, led by Figures, Fr Waller blessed each class crucifix. Thank you to Mrs Brett for reading this week. The warm weather has brought Lower Kindergarten out on their bikes and cars and Elements are enjoying their weekly visit to Loughton swimming pool. Let's continue to make the most of the sunshine (even though we have sent home the design your Christmas card letters this week!)

Miss Stratton & Mrs Ahmed are walking 10 miles and over 12 of London's bridges at the weekend to help raise money for research and to raise awareness of diabetes.
