Regional Champions!

Never before have we managed to win at this level. The boys won the semi-final against Chigwell and then went on to extra time and another nail biting penalty shootout in the finals. Loyola boys now go on to the ISFA National Finals at St George's Park, Derby (where the England team trains) in May 2019. Amazing!!

This week we were pleased to welcome Henry to Loyola (in Elements). I am pleased to see him being looked after so well by his classmates and know that he will be a valuable member of the Loyola family. Father Michael helped us to celebrate the feast day of St Francis with Rudiments and Mrs Le Voir where they spoke with passion about the good work of St Francis and the Franciscan brothers. We also celebrated National Poetry Day by holding a poetry competition titled, "Change" (you can find the wonderful winning entries posted on the website soon). Figures & Rudiments took part in NSPCC workshops and we ended the week with the whole school taking part in a non-uniform day filled with sporting activities. We have yet to see our fundraising total!

Mrs Palin visited us from CAFOD and enlightened us on the plight of refugees. With this in mind we pray for those made homeless and are suffering in the aftermath of the Indonesian disaster. Mrs K Anthony

Great work boys!

Word of the Week
"boast"

As a school, each term, we will focus on different values and qualities which will help us become aware of how we can make the world we live in a better place.

Our focus for October is:

"to know that you can't achieve anything unless you try"

Pupils who have demonstrated that they never give up even when things are difficult are:

Cameron (PP1): *He's done his absolute best all week and has stuck with things even when they've been tricky.*

Spotted by: Mrs Noble

Naren (Rec): *faced with the challenge of arranging the numicon so that the entire board was covered took patience, trial and error but Naren did it!*

Did you know?

School Fact: AMDG means to the greater glory of God (so everything we do is for God)

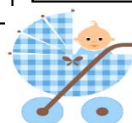

Fun Fact: We blink a whopping 28,800 times a day! That is a lot of blinking!
