Thank you to everyone who helped raise £681 for NSPCC. Mofi wanted to help even more and kindly raised extra money. How kind of you Mofi!

Last weekend 2 budding scientists visited Felsted School to take part in a day of spell and potion making. Mikhail and Zareb had so much fun and were exemplary ambassadors of Loyola. Epping Food Bank would like me to pass on a huge thank you for the food donation – we donated a total weight of 206.1kg. That is the same as an average adult bottle nosed dolphin! Prep looked at how sugar is bad for our teeth and how so many foods have ‘hidden sugars.’ With this in mind, Alex, the dentist reminded them to use fluoride toothpaste and to brush their teeth for 2 minutes every morning and before bed. This is good advice for all of us. Our mass this week was led by Prep and thank you to Mrs Courtney for joining the boys with their thoughtful bidding prayers. Fr Bossy made a special presentation to Prep and any new boys who have joined Loyola with a very special Catholic Youth Bible. Let’s remember what Pope Francis said, “*You are holding something divine in your hands: a book that is like fire! A book through which God speaks.*” We can look forward to hearing from Prep & Elements as they visited The Tower of London today whilst Figures explored The Science Museum. So, our first half term has come to an end and I would like to congratulate all of the boys and the staff for the hard work they have put in and everything they have achieved. Have a lovely break and see you soon. Mrs K Anthony

## Spells & Potions!!

“The Felsted science day was mind blowing as I made potions, invisible writing and herbology! It was a great opportunity and I learnt lots.” Zareb

## U9's Football vs Daiglen

A team lost 0-3  
B team drew 4-4  
C team drew 2-2  
Well done boys!

## Word of the Week “measly”

The dentist came to visit Prep as part of their topic on teeth. The boys tried disclosing tablets to see if they had any plaque on their teeth. Just look at their purple mouths! Thank you to Woodford Dental Care for coming to help us.

As a school, each term, we will focus on different values and qualities which will help us become aware of how we can make the world we live in a better place.

Our focus for October is:

*“to know that you can't achieve anything unless you try”*

Pupils who have demonstrated that they are developing their skills of resilience are:

**Sonny (Els)** He hurt himself during hockey but was determined to play on! What a great attitude.

Spotted by: Mr Bleasdale

**Nathan (LK):** For working well and sharing the toys with his friends. Well done!

## Did you know?

**School Fact :** Every house is named after a Saint.

**Fun Fact :** Australia has over 10,000 beaches.

You could visit a new beach every day for over 27 years!

### **WOW!!**

Part of our school values are to use the talents given to us by God and to use them to help others.

Josh certainly did this with kindness and generosity as he ran 5k to help raise money for Great Ormond Street Hospital.

We're very proud of you!

If you read just **one** book a day to your child, they will have been read **1825** books by their 5th birthday.

Every Day Counts.

Every Book Counts.
