Did you know that February 17th marks a day for Random Acts of Kindness?

In PP1 we thought about how we could be kind to our friends, our family, to God and to people we don't even know. We linked all of our kind thoughts together so that the kindness just keeps going!

"When you are kind to someone it feels really good because you are passing on how you feel to someone else. So they then pass it around and then everyone has a really happy feeling." Red Cross

What could you do to show kindness to others?

The boys in reception were really pleased to have a visit from the GP this week. Dr Chandra came to talk about her job and how doctors help us. We also learned about the things our bodies need to stay healthy. Dr Chandra shared with us the different equipment she uses to make people better. We all had a turn to listen to each other's heartbeat using the stethoscope and to check inside our friends ears using the otoscope. The children then took turns bandaging up their friends. Mrs Chandra told the boys that they would all make fantastic doctors!

We have all worked so hard since Christmas, in and out of school, plus of course our Rudiments with their exams. We are just waiting for the last set of results and are sure that the boys will have done well. PP2 and Father Michael celebrated Mass this week. Thank you to Jack C for bringing in beautiful flowers and Mrs Gell for joining the boys with their prayers. Also well done to Harrison for writing his own bidding prayer. Reception welcomed Dr Chandra to explain the role of a doctor and with the germs going around school at the moment gave us tips on how to keep ourselves healthy including remembering to wash our hands. We have had a lot of sickness in school this week and we ask you to be mindful of others and not send your child into school if they are unwell. I think that we all deserve our half term break to recuperate and then come back fit, healthy and ready for the next half term. Enjoy the break! Mrs K. Anthony

As a school, each term, we will focus on different values and qualities which will help us become aware of how we can make the world we live in a better place. Our focus for February is:

"to have eagle eyes and spot when someone needs help"

Pupils who have demonstrated that they are upholding their responsibilities of being a Loyola boy are:

Nathan (PP1): Nathan gave up his seat in the lunch hall for someone else who was upset as they couldn't sit next to their friend.

Spotted by: Mrs Monkton

Zareb (Figs): For helping others in class as needed.

Great team work boys!

As stated in the clarion message the School Council are going to be busy fund raising to buy new recycling bins for Loyola. Thank you to all who are going to start searching their homes for all those lonely toys, games and books just looking for a new home. We also have a, “Monster Money Tin” in the school office. If you find any of the old £1 coins and feel you would like to donate these to the School Council Fundraiser we would be so grateful. So have a hunt under the sofa cushions or old coat pockets and help us make our school greener.

Well done to Thomas for winning silver in an U8's Judo competition!

PARKING!!!

It is with sadness that I have to report that some of our parents have been witnessed driving onto the pavement and continuing to drive whilst people were walking on the pavement. One parent was then rude when someone spoke to them about what they had done. Please, please be sensible about where and how you park. We want our children and residents to be safe and the pavements to be clear to walk on. Please take care when parking and this includes not using the staff car park. Why not just park a little further away and walk?

World Book Day

Why not use half term to start thinking about your costume for World Book Day on March 7th? Who will you be dressing up as?
