GARNET – INTERHOUSE RUGBY WINNERS!

Well done to Garnet for becoming this year's interhouse rugby winners. All of the boys played extremely competitively (as always) and were cheered on by each other and parents. The yellows were the winners in the end though! Thank you to Mr Bleasdale for organising this event I know that the boys love playing in it.

Thank you to all the parents who came along to the NSPCC & O2 online safety workshop. We were given advice and tips on making us, as adults, more aware of how to check the suitability of different apps that might be used, parental controls and how you can visit any O2 shop (whether you are on the O2 network or not) and ask for advice about online safety.

Did you know that there is a website called net aware that you can check apps on? You have to be 13yrs old to have a social media account such as snapchat or instagram?

For those who missed out see which parent in your class did attend – we had someone from the majority of classes and look out for our next Parent workshop by "The 2 Johns" in the Autumn term 2019.

What a busy first full week back! I think that the boys have covered most sports this week with a swimming gala, football / cricket matches, PE lessons, a new multi-sports club and tennis lessons! I'm exhausted just thinking about it but a big thank you to Mr Bleasdale, Mr Morah and Mr Scannell for their dedication to make this happen for the boys. Mass this week was all about St Joseph the Worker and it was lovely to see Mrs Miller join Rudiments with their bidding prayers. Fr Waller also helped us to take time to reflect on how we learn throughout life and that there is always someone there to guide us no matter what we do. Looking around the school we certainly have so many people who do this. From the kitchen staff making sure that we eat healthily every day, the office staff who say hello and help whenever you need them, Gary and Danny making sure that the school is clean and well maintained, the midday staff, the teachers, teaching assistants, the parents and the boys themselves who always help one another. I am sure that I have missed someone but well done to everyone who helps and makes Loyola so special. Let's keep doing this! Mrs K Anthony

We are pleased to see our young cricketers helping Loyola win their first U9 matches yesterday against St Aubyns. Good luck to the U11's today!

Congratulations to William on becoming a big brother to Genevieve. We are so happy for you!

As a school, each term, we will focus on different values and qualities which will help us become aware of how we can make the world we live in a better place. Our focus for May is:

"to know that many small steps can make a difference"

Pupils who have demonstrated that they are upholding their responsibilities of being a Loyola boy are:

Barnaby (UK) : for helping his friends with the zips on their coats all week. Spotted by: Mrs Monkton
Jasraj (PP2): Always helping others in class without being asked to. Spotted by: Mrs Evans

Did you know?

School Fact : Did you know that, “the cage” (hardcourt area of the upper playground) was built and opened in 2000?

Fun Fact: Did you know that New York actually drifts away from London by one inch each year?

Bv: Alexander (Literacy Prefect)

3rd May – 9th May

Ezekiel (Rec) and James (Ruds)

Good luck to our U11 Football team who are travelling to Birmingham to play in the National finals for the Small School Championship. We have been in the final for this competition for the last 2 years and have won once and been runners up once.

Good luck boys, we know that you'll do your best.

Swimming Gala

Thank you to Bancrofts for hosting this week's swimming gala where we came 6th overall! This is a great result (particularly as we do not have girls in our team to gain points!) A particular mention to Charlie for captaining the team so well, Arty for reaching the final of the backstroke and Charlie reaching the final of the breaststroke.

Word of the Week

“atrocious”

The Loyola Courtesy Cup

Each half term we award 2 boys who continuously show kindness to others, good manners and respect for all around them.

We are proud to award Tilak and Guy this term – well done!
