*Ad Majorem Dei
Gloriam
To the Greater Glory
of God*

At the end of our first full week back I have to say that the boys are well into the swing of school life! We have held parent meetings every evening this week where the teachers have explained routines / expectations for the year and trips / events they have coming up. It was also an opportunity for parents to meet their son's new teachers. Thank you to so many of you who came along and to the teachers who led the evenings. Most of our clubs have started this week, some familiar but also some new such as Bell Boating for PP2 at Fairlop Sailing Centre which the boys loved! We held our first Mass of the year led by Fr Page and the staff. This included blessing each class crucifix and talking about how we, as teachers, want to guide our pupils just as Jesus guides us. Our food bank collection also started showing how we remember and can help those who are less fortunate than ourselves. We end our week today with a uniform sale in the playground and thank the PTA and in particular Mrs Humphrey for taking the time to sort the donated items of uniform. Have a lovely weekend. Mrs K Anthony

"On Wednesday we went Bell Boating for the first time. It was good fun. We played a little game called Fruit Salad. You had to stand up and switch places with your fruit and you could cross over between the two boats. We also learnt how to hold the paddle and we had a splashing time!" By Patrick PP2

We should think before buying more school supplies as the average family gets through six trees per year!

As a school, each half term, we will focus on different Jesuit values and qualities which will help us become aware of how we can make the world we live in a better place. Our focus for this half term is:

"to be compassionate towards others and to be loving through our actions and words"

Pupils who have demonstrated that they are upholding their responsibilities of being a member of Loyola are:

Mofi (Els): For showing new children how to find the hymns and explaining what we do in Mass. All of this was without being asked – how kind! Spotted by: Mrs Gibbons
Cillian (Ruds) : For finding out information for me that was needed before I'd even asked him to do so. Spotted by Mrs Anthony

The school is proud to display its new crest above the ramp entrance door at the front of the school. It looks so smart! Can you remember why we have a picture of the wolves with a cauldron on the crest?

Word of the Week

"bombinate"

Can you find out what it means and use it in a sentence?

A Teacher's Prayer

“We want to teach our students more than lessons in a book, we want to teach them deeper things that people overlook. The value of a rose in bloom, its use and beauty too, a sense of curiosity to discover what is true. How to think and how to choose the right above the wrong. How to live and learn each day and grow up to be strong. To teach them always how to gain in wisdom and in grace. So they will someday make the world a brighter better place. Lord, let us be teachers who guides and gives these minds a start upon their way down life's long road. Then we'll know we've done our part.”
